ROADSHOW for the week beginning October 1, 2012

Inclement weather or other unforeseen circumstances may occur, so the information below is strictly of an advisory nature and is subject to change with no notice.

Pothole patching, sweeping, drain & ditch cleaning, pavement marking, and maintenance crews may work on major interstates in the Louisville Metro area only during non-peak daytime hours and at night. Motorists should watch for roadside maintenance and pavement marking crews on interstates and highways throughout the rest of the district on a daily basis.

Jefferson County:

Eastbound Interstate 265 (Gene Snyder Freeway): Lane closures and delays possible from the entrance ramp at Smyrna Parkway to the Pennsylvania Run culvert (mile points 13.6 to 14.0) due to sound barrier construction. The right lane of eastbound I-265 may be closed during construction in the evenings from 8:00 p.m. until 6:00 a.m. the following morning. Shoulder closures are possible during daytime hours. During this construction work, traffic will be shifted on the entrance ramp from northbound Smyrna Parkway to eastbound I-265. The ramp will remain open.

Eastbound Interstate 264 (Watterson Expressway): All lanes will be **closed** between Dixie Highway and I-65 (mile points 7.4 and 12.0) due to pavement repairs. This road closure is scheduled from 10 p.m. EDT Friday, September 28, to 6 a.m., Monday, October 1. During this closure, motorists will be detoured via westbound I-264 to eastbound I-64 to southbound I-65 and then reconnected with eastbound I-264.

Interstate 64: Shoulder closures and delays possible at the Hurstbourne Parkway entrance and exit ramps (mile point 15.0) due to interchange improvements. Lane closures are also possible on Bluegrass Parkway between Plantside Drive and Hurstbourne Parkway daily from 9:00 a.m. until 3:00 p.m.

Interstate 65: Lane closures and delays scheduled between I-264 (Watterson Expressway) and Chestnut Street overpass (mile points 131.2 to 135.4) due to bridge joint repairs. Lane closures are possible weeknights from 7:00 p.m. until 5:00 a.m. the following morning and on weekends from 7:00 p.m. on Friday until 5:00 a.m. on Monday.

Interstate 71: Lane closures and delays possible between I-264 and the Lime Kiln Lane underpass (mile point 5.2 and 5.8) due to interchange improvements. Lane closures are possible weeknights from 9:00 p.m. until 5:00 a.m. the following morning. Shoulder closures are possible during daytime hours.

Interstate 264: Lane closures and delays possible between the US 42 underpass and I-71 (mile points 22.1 and 22.9) due to interchange improvements. Lane closures are possible weeknights from 9:00 p.m. until 5:00 a.m. the following morning. Shoulder closures are possible during daytime hours.

Westbound Interstate 264 (Watterson Expressway): Right lane closure possible between Dixie Highway and Cane Run Road (mile points 7.4 and 5.2) due to sound barrier installation. The entrance ramp from Dixie Highway to westbound I-264 may be closed weeknights from 8:00 p.m. until 6:00 a.m. the following morning.

US 31W (Dixie Highway): Lane closures and delays possible between KY 1931 (Greenwood Road) and Interstate 264 (mile points 11.6 and 14.7) due to roadway resurfacing. Lane closures are possible weeknights and weekends from 7:00 p.m. until 6:00 a.m. the following morning. One lane of traffic will be maintained in each direction at all times. Shoulder closures are possible during daytime hours.

US 60 (Frankfort Avenue): Construction delays possible between Mellwood Avenue and Breckenridge Lane (mile points 0.0 and 3.5) due to signal loop installation.

Brownsboro Road: Shoulder closures and delays possible at US 42 due to roadway improvements and ramp construction from I-264.

KY 22: Lane closures and delays possible between KY 1694 and Murphy Lane (mile points 4.4 and 5.6) due to roadway widening.

Bullitt County:

Routine maintenance

Franklin County:

Routine maintenance

Henry County:

KY 55: Lane closures and delays possible between the Shelby/Henry County line and Town Creek (mile points 0 and 3) due to pavement patching.

KY 322: Lane closures and delays possible between the Shelby/Henry County line and KY 1861 (mile points 0 and 2) due to pavement patching.

Oldham County:

Routine maintenance

Shelby County:

Interstate 64: Lane closures and delays possible from the Welcome Center to ½ mile east of KY 55 (mile points 27.9 to 32.8) due to roadway widening. Lane closures are possible Sunday - Friday from 7:00 p.m. each evening until 5:00 a.m. the following morning and on Saturdays from 10:00 p.m. until 5:00 a.m. the following morning. The speed limit in the work zone will be **reduced to 55 MPH** for the duration of the project. The project will be signed as a double fine work zone.

Spencer County:

Routine maintenance

Trimble County:

KY 625 (Peck Pike Road): Lane closures and delays possible between Buchanan Lane/Powell Hill Road and US 421 (mile points 8.5 and 12.2) due to roadway resurfacing.

US 421: Construction delays possible near the bridge over the Ohio River (mile points 18.7 to 19.2). The bridge has been posted for a 3-ton weight limit. Vehicles in excess of 36 feet in length are also restricted due to the limited turn radius of the temporary ramps.

Dial 511 or log on to 511.ky.gov for the latest in statewide traffic and travel information in the Commonwealth of Kentucky.
